

# SUPERTURISMO EVOLUZIONE WRC

An outstandingly successful wheel and fan favourite, the Superturismo Evoluzione restores the typical rally racing heritage style with a new all-white colour: the Superturismo Evoluzione WRC.

The Superturismo WRC is mount-ready for all cars that aspire to rally recognition. Thanks to the white central lock look cap with anodized red ring, your vehicle will turn heads and draw envious looks from fans of the racing world, tuning and stanced cars in all-out Wortherssee, XS Car Night or Raceism style.
