

HYPERGRAM

The Hypergram is a lightweight, 12-spoke design that is motosport inspired in its construction, appearance and it's ability to clear many big brake cars and upgrades! Utilizing Flow Forming Technology allows the Hypergram to be lighter and stronger. With a large range of aggressive sizing the Hypergram is finished in either Matte Grey, Race Bronze, Metallic Carbon with Machined Lip or Matte Black in 15×7.5, 15×8, 15×8.5, 17×8, 17×9, 18×8.5, 18×9.5, 18×10.5, 18×11, 19×8.5, 19×9, 19×9.5 and 19×11B sizes.
