

# ITALIA 150 5H

The ITALIA 150 wheel is OZ's tribute to the 150 anniversary of unified Italy. The multi-spoke design is a salute to the mesh look, for an elegant wheel that is readily recognizable.

Each detail is exclusive and flawlessly crafted - the raised outer lip is in relief, as is the wording Italia 150, OZ and Made in Italy; the embellishments at the ends of the spokes enhance the elongated effect to achieve the look of an even larger wheel.

## Product Details

<b>Model</b>	Monoblock
<b>Design</b>	Multispokes
<b>Production process</b>	Low pressure casting process + Heat Treatment
<b>Material</b>	Al Si 7 Mg
<b>Characteristics</b>	
<b>Certifications</b>	   
<b>Offset range</b>	29 - 48
<b>Width range</b>	7 - 8
<b>Holes</b>	5
<b>Diameter available</b>	17", 18" and 19"
