

OVERSTEER

The Oversteer is a face forward, split 5-spoke design with an aggressive attitude especially in the wider fitments as the wheel face profile increases in its concave look. From the street to the track the Konig Oversteer improves the stance of many 5-Lug Passenger vehicle and offers staggered applications for those looking to run wider rears. The Oversteer is available in 16×7.5, 17×8, 18×8, 18×9, 19×8.5, 20×8.5 and 19×9.5 sizes and in Opal, Gloss Black, White and Red.

Features:

- 5-Lug
- Low Offsets
- Back Cut
