PF01 special stage wheel

Split 5-spoke × deep rim design

Sports model for circuit use

Sizes: 17 inch

Colour: Matte Black, Pearl Machine White, Platinum Machined Silver

Material:

Main Feature:

Product Detail

Deep Rim

A powerful deep rim design that achieves a depth of 44mm

Engineering

The basic performance as a sports wheel has been enhanced, such as discs with excellent stress dispersion and brake cooling performance, lightweight and highly rigid MAT rims, and knurling to prevent tyre slippage.
