

PerformanceLine PFO3

“SC03” evolutionary successor 12-spoke wheel

12-spoke design with optimized vertical and horizontal cross-sectional ratio for excellent stress distribution.

An evolved model of the ENKEI TUNING SC03 that combines “driving” and “styling”

Sizes: 15 / 16 / 17 / 18 inch

Colour: Sparkle Silver, Matte Dark Gunmetallic

Material:

Main Feature:

Product Detail

Long Spoke

Extend the spokes as much as possible to create a sense of large diameter. The styling is one size up.

Power Rib

A power rib is installed at the connection between the spoke and the rim. It is reinforced in a ring shape to increase the rigidity of the wheel.
