

SC22

Colour:

- Gloss Black and polish face (ZBK1FP)
- Silver and polish face with titanium lacquer (TSV1FT1K)
- Hyper Dark (HDK)

Testing:

- VIA Tested
- TUV Tested

Keeping this 11 spoke classic design as clean and simple as possible, it is able to achieve the lightweight and strong element.

This wheel is suitable for small and mid size vehicles and it has a multi hole PCD configuration option as well.
