

# SC38

## Colour:

- Matte Black with milling window and polish lip, Japan version (DBK2QWLP2S)
- Matte Black with milling window and polish lip (MBXWLP)
- Matte Gunmetal (XWMGM)

## Testing:

- VIA Tested

The SC38 is a 7 spoke race-style look carefully designed to create a modern and stylish appearance.

It comes with a beautifully etched ENKEI logo on one of the milled spokes using the eletrophoresis and machining technology to present a unique detail of the wheel.
