

# SC49

## Colour:

- Glossy Black with laser wording and polish face (ZBK1QR2FP)
- Silver with laser wording (GSV1QR2)

## Testing:

- VIA Tested

The SC49 wheel is inspired from SC48 to cater to modern performance sport sedan and mid size vehicles.

Featuring a slight concave 5 W spoke design to achieve incredibly high performance, this stylish and aggressive wheel provides style in simplicity accompanied with high quality performance.
