

SC51

Colour:

- Black
- White

The SC51 is created with a 10 paired spokes design carefully spaced evenly to distribute the load and pressure stressed on the wheel.

The machined outline of the spokes explicitly enhanced the look, making it stand out.

Result, a classic race look wheel which is perfect option for late model sport sedans and coupes.

Specification:

| Size | ET | PCD |
|--------|----|---------|
| 17X8.0 | 45 | 5/114.3 |
| 17X8.0 | 40 | 5/108 |
| 17X8.0 | 38 | 5/100 |
| 17X8.0 | 35 | 5/112 |
| 18X8.0 | 42 | 5/114.3 |
| 18X8.5 | 45 | 5/112 |
| 18X8.5 | 38 | 5/114.3 |
| 18X8.5 | 35 | 5/112 |
| 18X8.5 | 35 | 5/120 |
