

SC55

Colour:

- Gloss Silver with red laser wording (GSV1QR2DRK)
- Matte Black with laser wording and blue lip lining (DBK2QR2B6LA)
- Matte Gunmetal with laser wording and blue lip lining (DGM2QR2B6LA)

Testing:

- VIA Tested

A race-inspired 10 spoke arrangement, adding a step lip detail in vogue. An ultimate combination of art and science, the SC55 takes the form of a true classic motorsport wheel, offering both style and high performance.

This wheel is definitely for the true enthusiasts and looks great on almost every car!
