

# SUPERTURISMO GT

SUPERTURISMO GT is the iconic wheel of the racing world, and needs little introduction. The Race White version can be found on 90% of the World Rally Championship competition vehicles.

The block printed 'OZ Racing' logo, characteristic multi-spoke design (the most emulated in the world) and unmistakable carbon fiber center cap all add distinctive features to a wheel that is already number 1 on race tracks around the world.

## Product Details

<b>Model</b>	Monoblock
<b>Design</b>	Multi spokes
<b>Production process</b>	Low pressure casting process + Heat Treatment
<b>Material</b>	from 14" to 16" Al Si 11 Cu; from 17" to 19" Al Si 7 Mg;
<b>Characteristics</b>	  
<b>Certifications</b>	   
<b>Offset range</b>	15-50
<b>Width range</b>	6-8
<b>Holes</b>	4-5
<b>Diameter available</b>	14", 15", 16", 17", 18" and 19"
